

## Terms and conditions of liability for rental skis.

The customer is responsible for returning the equipment in good condition or to pay compensation up to the retail price of the rented products. In the event of breakage or damage as a result of improper use, the customer is liable to pay the cost of repair or the market value. The customer is not permitted to pass on the sports equipment to third parties. The customer shall ensure that the equipment is looked after in such a way as to prevent it being taken by mistake or stolen. Liability for lost or stolen rental property lies with the customer.
